

## WE'RE GROWING: EMERGING ARCHITECT POSITION

Carlos Moore Architect PA is seeking an experienced, talented, motivated, and organized individual to add to our design team at our office in Concord, NC.

This position allows for the participation in all phases of the design process from concept to working drawings. You will have the opportunity to work on diverse projects and typologies - residential, commercial, industrial, master planning, site planning, zoning, including new construction, additions, and upfits. We expect good problem solving skills, thoughtful and logical design solutions, and well organized drawings. This is an in-office position.

### Qualifications:

- \* Bachelors or Masters degree in Architecture or in Architectural Technology
- \* Interest in meaningful places and intentional design
- \* Experience in Residential and Commercial projects
- \* Knowledge of zoning regulations, building systems, and working drawings
- \* Proficiency in CADD and layer management
- \* Excellent graphic, hand sketching, & design skills
- \* Excellent written and oral communication skills
- \* Bilingual skills not necessary but a plus
- \* Must have ability to work well with others and self-directed
- \* Excellent organization skills and good attitude
- \* Must love dogs - we do have office dogs

### To Apply:

Please send resume and samples of work to [vmoore@cmoorearch.com](mailto:vmoore@cmoorearch.com)  
This is a newly created position and therefore available for immediate hire.
